Membership Categories Defined

Providers	Regulated child care facilities that provide direct early child care and education services to children. Providers are classified as Center, Group, or Family.
Early Learning Resource Centers (ELRC)	ELRCs provide valuable child care information and services to families, providers and to the public. They are part of the vital statewide continuum of community-based perspectives to the child care needs of families & communities.
Associate	Businesses, consultants, and other entities that provide a service or product to the child care provider community (e.g. children's furniture, educational material vendors, food suppliers, consultants, attorneys, accounting firms, insurance agencies, foundations, early childhood initiatives, colleges). They may be for-profit or not-for profit entities, private or publicly owned.
Affiliate	Affiliate members are individuals with an academic or personal interest in the mission of child care and who are not eligible in any of the above categories; examples include students, faculty and friends of child care. <i>Affiliate membership benefits are not organizational.</i>
