Frequently Asked Questions (FAQs)

What is the OTC benefit?

The OTC benefit offers you an easy way to get generic over-the-counter health and wellness items. You can choose from a list of approved OTC items.

Get your items by going to any CVS Pharmacy® store that is OTC Health Solutions-enabled. You can also order by phone or online, and your items will be mailed to your home address.

Do I need my member ID number?

Yes. You can find it on the front of your Aetna Better Health® Kids health plan ID card.

How much is my OTC benefit?

You have \$30 per month.

How often can I use my OTC benefit?

Your OTC benefit can be utilized multiple times throughout the month.

Can I carry over unused benefit amount to the next benefit period?

The benefit amount of \$30 per calendar month may be used by the member in the month it is received. Any unused portion of the monthly benefit may be carried into the following month; however, if the unused portion is not used during that month, it will expire. Please note, any unused benefit amount in December will not carry over to the next year.

Are all items available at the stores?

Not all items are available in stores. Items marked with a “☉” in the booklet can only be ordered over the phone or online.
