Pennsylvania Early Childhood Education Summit **SPONSOR INVITATION**

Sponsored by the:
Pennsylvania Child Care Association
Pennsylvania Head Start Association

Since 2008, the Pennsylvania Child Care Association and the Pennsylvania Head Start Association have cosponsored the Pennsylvania Early Childhood Education Summit.

The Summit provides an opportunity for professionals and parents across the early learning and school-age spectrum -- child care, Head Start, Early Intervention, Pre- K Counts, and school districts -- an opportunity to dialogue and learn while building a stronger early learning community.

The 2022 Summit is intended to accomplish three goals:

- Raise awareness among providers and parents on policy issues at the federal and state level so they can be part of the process that maintains and strengthens the education and care systems that are critical to young children and families.
- Provide education and professional development opportunities for parents and professionals in child care, Head Start programs, and school districts that care for and educate young children.
- Recognize the tremendous advances Pennsylvania has made in the field of early care and education and inspire others to reach for high quality for our vulnerable and at-risk populations.

Co-sponsored by:

Pennsylvania Child Care Association (PACCA)

PACCA is a statewide, non-profit organization dedicated to facilitating and advocating for the provision of quality early care and education to the children of Pennsylvania. PACCA serves as the advocacy organization for the child care community.
